Filed : November 21, 2003

### REMARKS

Applicant respectfully requests the Examiner to reconsider the above-captioned application in view of the foregoing amendments and the following comments.

#### Request for Continued Examination

This Amendment is being filed with a Request for Continued Examination.

#### Amendments

Claims 8 and 22 have been amended. Claim 8 now recites, in part, "a removable member comprising a first end configured to removably engage with the proximal end of the elongated body and a second end configured to removably engage with an installation tool." Claim 22 now recites, in part, "a removable member comprising a first end configured to removably engage with the elongated body and a second end configured to removably engage with an installation tool." Support for this subject matter can be found in Figure 9A (element 424) and Figures 1 and 2. Applicant respectfully submits that the pending Claims are in condition for allowance.

New Claims 25 and 26 have also been added. These claims depend upon allowable Claims 8 and 22 and for at least this reason are also in condition for allowance.

### CONCLUSION

Early issuance of a Notice of Allowance is most earnestly solicited. If any undeveloped issues remain or if any issues require clarification, the Examiner is respectfully requested to call Applicant's attorney in order to resolve such issue promptly. Please charge any additional fees, including any fees for additional extension of time, or credit overpayment to Deposit Account No. 11-1410.

Respectfully submitted,
